

Aesthetic Plastic Surgery Centre (APSC)

About Us

NUH Aesthetic Plastic Surgery Centre

The NUH Aesthetic Plastic Surgery Centre (APSC) is a comprehensive one-stop centre dedicated to providing a full range of customised aesthetics and safe medical treatments to our patients.

The field of aesthetic and plastic surgery has come a long way in recent years with safer and simpler techniques, more natural-looking results and shorter recovery time. In fact, with the ease and affordability of aesthetic treatments these days, many people are realising their dreams and making rewarding lifestyle choices through surgery.

If you are considering any form of aesthetic or plastic surgery, you are taking the first step towards making a long-term investment in yourself, and you should carefully consider the procedures that meet your needs.

Our team of experienced specialists and research professionals will ensure that all up-to-date information on new drugs, techniques and equipment are available to guide you in your choice. All our patients will receive personalised attention in a relaxed and private atmosphere.

At the NUH Aesthetic Plastic Surgery Centre, we combine professional expertise, technology, an artistic approach, sensitivity for your needs and a real passion for accentuating beauty that is as natural-looking as possible.

Our Services

- Cosmetic Treatments
- Cosmetic Surgery for Medical Reasons
- Reconstructive Surgery & Medical Procedures

Cosmetic Treatments

Accentuate your inherent beauty

Combining an artist's eye and a surgeon's hand, cosmetic surgery is the art of aesthetically enhancing the physical form, restoring natural and youthful beauty. The **cosmetic treatments** available at the NUH Aesthetic Plastic Surgery Centre are:

- Nipple reduction
- Areolar reduction

Scar Treatment

- Removal of hypertrophic and prominent scars
- Removal of pigmented scars
- Removal of painful scars

Cosmetic Surgery for Medical Reasons

Enhance innate elegance

Sometimes cosmetic surgery is more than a process of enhancing the appearance of a patient, it is integral for improving quality of life. The **cosmetic treatments for medical reasons** available at the NUH Aesthetic Plastic Surgery Centre are:

Breast Surgery

- Breast reduction
- Correction of tuberous breast
- Other breast surgery with minimised scarring

Traumatic Abnormalities

Other Congenital Skin Abnormalities

- Vascular malformation

Reconstructive Surgery & Medical Procedures

Restore nature's beauty

Reconstructive surgery helps patients of all ages and conditions; from a child with congenital deformities, to an accident victim or an older adult with problems caused by aging. The **reconstructive surgery and medical procedures** available at the NUH Aesthetic Plastic Surgery Centre are:

Breast Surgery

- Breast reconstruction
- Nipple reconstruction

Reconstruction of Trunk

- Free tissue transfer and microsurgery
- Other flap reconstruction
